KÆRE MEDLEM

Endelig blev det juni, og udover at sommeren er på vej, betyder det også, at det endelig er tid til, at afholde årets SMWS Festival 2021.

Som noget nyt vil vi gerne tilbyde vores eksisterende medlemmer 1/1 flaske uspecificeret SMWS single cask whisky pr. nyt medlem de rekrutterer, som tak for hjælpen.

I dette Outturn kan du læse om de nye aftapninger, der vil være tilgængelige fra om torsdagen på Festivalens Casual Day. Husk at indløse en billet på smws.dk såfremt du/I planlægger at deltage.

Såfremt du ikke har mulighed for at deltage i Festivalen, men gerne vil smage de 12 nye flasker, så har du allerede nu mulighed for at bestille et smagesæt hjem. Det kan du læse mere om inde i bladet.

Vi vil gøre alt for at Festival deltagerne får en lige så god oplevelse som de plejer, og vi har også lidt nye tiltag i ærmet, der gerne skulle gøre oplevelsen endnu mere helstøbt.

Et af tiltagene er blandt andet, at vi i år tilbyder Jacobsens frokostbuffet i Banketten på 2. sal, så ventetiden på at få noget at spise nedbringes. Vi vil dog gerne henstille til, at du bestiller din frokostbillet i forvejen, dels ad hensyn til køkkenet – og så er der tilmed lidt penge at spare ved at købe den i forvejen.

I skrivende stund er restriktionerne således, at Festivalen gennemføres ved, at deltagerne kan fremvise gyldigt coronapas ved ankomst, samt at der bæres mundbind eller visir når man ikke sidder ned.

Med disse ord er der blot at ønske god fornøjelse med læsningen, og på glædeligt gensyn på Festivalen.

Med venlig hilsen
Thomas Korsgaard

It brought to mind a genteel and bucolic Highland farmyard full of stables, cuddy cows, baled hay and stray sheep shearings. Sweet buttery cereals, dessert wines, lemon barley water and elderflower cordial in the afternoon sunshine. Freshly chopped parsley muddled through salty butter and a zing of fruit pastilles. Water brought light tobacco, new leather and apple pie. Fruit scone mix, rose gardens and chamomile tea. In the mouth there was an immediate note of biscotti, golden syrup sponge cake, orange zest, light milk chocolate and candied ginger. Freshly baked soda bread with heather honey and dried mint. Reduction gave apple upside-down cake, sweetened porridge, blueberry muffins, Turkish delight, very fragrant waxes and shortbread crumbs.

One panellist opened secretly a tin box full of simple butter cookies (Plaetzchen or Gutsle as they are known in his part of Germany), different shapes and sizes all with a glaze and sprinkled with sugar pearls. On the palate, an initial spicy hit of lime chilli coconut chicken and salted spicy popcorn was soon followed by a creamy butternut squash custard. After dilution we enjoyed vanilla custard, blueberry muffins, pear confit in cloves and cocoa syrup on the nose while the taste was warm milk flavoured with honey, vanilla and cinnamon sprinkled on top - a wonderfully dreamy nighttime drink.

JUNI OUTTURN SOM SMAGESÆT

Som tak for støtten gennem de virtuelle smagninger det seneste år, tilbyder vi helt ekstraordinært medlemmer der ikke har mulighed for at deltage på Festivalen i juni, at købe et smagesæt.

Der vil være 12 dramme i sættet, hvilket vil sige de 10 Outturn dramme plus de to dramme af Festival flaskerne.

Du kan allerede nu bestille sættet på smws.dk – og alle sæt sendes fra Vejle, eller sættes til afhentning i Vejle, onsdag den 16. juni. Du har dermed mulighed for at smage flaskerne samtidig med deltagerne på Festivalen.

Flaskerne sælges på Festivalen, og eventuelle resterende flasker sættes til salg på smws.dk mandag den 21. juni kl. 14.00.

Terje & Thomas sender en livestream lørdag den 26. juni kl. 14.00, hvor vi smager de 12 dramme, siger tak for Festivalen og ønsker alle en god sommer – så hvis du kan lægge bånd på dig selv og gemme lidt af drammen, kan du smage dem sammen med os.

Prisen for et komplet sæt á 2 cl er 495 Kroner, og sendes fragtfrit uden omdeling ved bestilling sammen med en flaske, eller ved bestilling af mindst 2 sæt.

The comforting aroma of fig rolls, orange sponge cake and chocolate-covered roasted hazelnuts served with a glass of iced caramel cloudy macchiato made us feel free and borderless 'above the clouds'. Extremely pleasant on the palate neat, with a well-balanced wood spice and brown sugar sweetness to start, followed by melted butter mixed with crushed ginger biscuits. Water brought out a whipped dark chocolate mousse sprinkled with pistachio shavings which gave it the lovely creamy texture of caramelized peaches with fresh rosemary as well as mocha fudge brownie ice cream. The finish that awaited us with a surprise of blue raspberry liquorice wheels.

An enticing, open and refined scent of elegant perfume layered with different aromas ranging from peach and pear blossom, to a sweet and citrusy note then finally bourbon vanilla and orange enticed us to take a sip. Lush, creamy and soft like a delicate lemon curd and ginger fool or taffy apple grapes; green grapes dipped in candy and rolled in nuts. Water added on the nose a tropical fruit salad, marshmallows and pink wafers while on the palate a fruity voluptuousness followed by a creamy butterscotch flavour with a finish of warm baked apple alongside vanilla cream and muscovado sugar.

A warm dreamy aroma of a semolina pudding served with cocoa powder, cinnamon, raisins and crystallised ginger brought back happy childhood memories. On the palate neat slightly more grown-up, panna cotta and cherries poached in pastis and served with caramelised, blowtorched orange segments as well as a fresh strawberry tart with Champagne sabayon. Diluted we made dark chocolate coconut dipped peaches with a curry-honey mascarpone filling and cinnamon sugar baked apple slices. The flavour had now plenty of yummy rummy honey and a glorious finish with juicy fruits in abundance muddled together with rich moist chocolate in a heart-warming, comforting butterscotch bramble brownie cake.

A more tempestuous example of this legendary distillate. We found the nose initially prickling with antiseptic, bubble-gum, wind-lashed linens and canvass. Citronella wax, tutti fruit, dried seaweed in ramen broth and coal tar soap. Hefty but soothing and superbly 'zen'. With water we got heather flowers, pollen, sooty coal hearths, wood embers and scrunched newspapers. Some bone dry riesling and wet beach pebbles. The palate was initially bright and awakening with tar acidity, zippy minerals, lemon-scented candles and cough medicines. A squeeze of herbal toothpaste and touches of beeswax. Water made it more herbal and wonderfully mouthcoating. Rich, malty fatness, mineral oils, custard made with sweet wines and a saline kiss of ozone in the aftertaste.

Er du også nysgerrig på hvad det vil sige at lave en finish/double maturation på en whisky? Det var vi. Festival flaskerne til 2021 er derfor et projekt af denne slags.

Vi købte for mere end 2 år siden et fad heavily peated whisky fra destilleri nummer 53. Vi bad om at halvdelen af fadet fik lov at blive liggende tiden ud på det oprindelige bourbon fad, hvorimod den anden halvdel fik en ny vært i form af et 1 fill Oloroso Quarter Cask.

Resultatet blev to udsøgte flasker, hvor du altså har mulighed for at smage den ”oprindelige” whisky uden finish, samt den samme blot med en kraftig sherry finish. Vi synes selv at resultatet er blevet rigtig godt for begge vedkommende – vi håber at du synes det samme.

Aromatic fragrant smoke of burning incense on the one hand, while on the other the laying of the final top surface of a road with tarmac. On the palate an explosion of smoke – a peat smoked medley of venison with hickory smoked mashed potatoes and beetroot. Diluted we made a fire on the beach with driftwood, while chewing on nicotine gum and snacking smoky seaweed sweet rice crisps. To taste we swapped the crisps and for curly spiced kale drizzled with smoked Scottish seaweed infused rapeseed oil and sprinkled with ras el hanout. In 2019, we took the contents of a single hogshead and split it between the original cask and a 1st fill Oloroso quarter cask. This is the original cask.

It felt like a whirlpool and we were sinking fast, yet underneath some initial smoke there was a beautiful delicate floral vibe, candied rose petals, polished teak and raw buckwheat honey. The taste was absolutely breath-taking; a terrine of venison with bacon slices, juniper and pistachio nuts, cranberry and orange compote. Diluted, dessert was served. Apple pie with smoky-whisky-soaked cherries and outrageously delicious orange Amaretto syrup, and then to crown it all Scottish fern cakes and unctuous strawberries in PX vinegar and a pinch of java long pepper. In 2019, we took the content of a single hogshead and split it between the original cask and a 1st fill Oloroso quarter cask. This is the Oloroso cask.

Frankly, an astonishing aroma. Dense, powerful, controlled and vividly complex. A collision of medicines, honey and pure, churning seawater. We noted putty, lime curd, natural tar and ancient herbal extracts and ointments. Cough syrups, fragrant beach bonfire embers, sandalwood, gorse flowers. Dazzling, old style and profoundly beautiful. Water sharpened the minerality and brought a pure, brilliant streak of seashore freshness. Then new leather, salted liquorice, rooty Orcadian peat and fragrant waxes. The palate opened with a rush of gloriously sweet, old-school peat. Thick, oily and tinged with herbs. Beyond that natural tar, anthracite soot, wintergreen and bog myrtle. With water it disappears into a perfect event horizon of power, complexity, depth, texture and poise. Smoked teas, dried seaweed, horseradish, black pepper, gauze, heather honey and camphor. Recalls to mind an ancient style of Orkney malt - even flashes of a long lost legend...

Time for a rest – you have painted the veranda, potted the plants and cut the grass now you relax in your rocking chair overlooking the harbour with your lit pipe and a good, old, leather-bound book. On the palate you have poured yourself a cold smoky peach IPA – super smoky but with a lot of fruity sweetness and a little hoppy and tarty, very refreshing! After a drop of water, we nibbled on sweet potato and smoked seaweed crisps and spicy honey-roasted peanuts before we relaxed and let our minds wander, floating away as our spirits drifted into oblivion

Sol og sommer kalder tit på en opfrisker, og i forbindelse med lanceringen af en ny Gin, bad vi vores 2 super dygtige cocktail bartendere om at komme med 2 bud på hvad det kunne være. Begge cocktails vil være tilgængelige under hele Festivalen. Skulle du have lyst til at prøve kræfter med dem selv, kommer her

The nose combined smoke ('peat smoke bubbled through vanilla water') with oily and briny notes (lemon-scented olive oil, bacon fat, tinned tuna, sea salt crisps) and oaked white wine. The palate had delicious earthy smokiness – heather moor burn and applewood bonfires, peppered steak and aromatic duck with all the trimmings (including hoisin sauce). With water, the nose turned more medicinal – Elastoplast, first aid boxes and medicated shampoo, with Chinese five-spice pork and punchy black pepper. The reduce palate hinted at green apple and chalky sweets (Edinburgh Rock) but majored on nutty smoke and sweet chilli and pepper heat.

A full on and spine-tingling dive into the heart of this distillery's legendary character. Mineral salts, bath bombs, salty pasta water, pure sea salt, ramen broth and dried seaweed all intermingle. Then soy sauce, metal polish, old steel wool and more herbal things like witch hazel and wintergreen. Reduction brings smouldering eucalyptus wood, muddy petrol, machinery oils, potatoes baked in hot wood embers and smoked sea salt. Wet kelp on the shore, lemons pickling in brine and salt baked white fish. The palate is an immediate tidal surge of creosote, natural tar, iodine, TCP soaked bandages and rags from an oily old toolbox. With water there's Germoline, smoked herbal teas, coal scuttles, hot kiln air full of drifting blue peat smoke, camphor, smoked game meats, herbal mouthwash and a bracing hit of black pepper and crystalline smoke.
